

Doorstep Carols Suffolk 2021

Information for Street Organisers

How to become a street organiser

All you need to do is

1. Ask some neighbours if they would like to sing along with you
2. Give them a copy of the words which you can download from www.light-wave.org/doorstep-carols
3. Go and sing on your doorstep along with your neighbours on theirs on 15th Dec at 6pm

If you want to you can play music yourselves, raise money for charity, shake sleigh bells or add other Christmassy details - dress like Rudolf or have Father Christmas walk past (socially distanced from all). Have lots of fun. We'd love to see what you are doing - register on the webpage above and post your ideas and preparations on the Doorstep Carols Suffolk facebook page. Links and information about Suffolk charities like those above will be available at www.light-wave.org/doorstep-carols. You can e-mail us to include other charities on the page at lightwave.community@cofesuffolk.org

Radio Suffolk Programme

There are 16 songs to sing on the carol sheet. Radio Suffolk plan to use all 16 in order.

They are thinking of 3 bursts of singing, around 13-14 minutes each. In the breaks, people can make themselves a hot chocolate, wave to neighbours etc. You could arrange for something particular to your street in these gaps if you like.

If you register your participation at www.light-wave/doorstep-carols, the Lightwave team will let you know of any changes to this schedule. You can also let us know if you would like radio Suffolk to phone into your street – and tell Suffolk what you are doing on the night.

Afterwards, the programme from the 15th will be on BBC sounds to listen again to whenever people like (Some people have said they are interested in using it on Christmas eve)... but they won't repeat it as a broadcast programme.
